

View Completed Inspection Reports

You can view a completed inspection report online any time. This will allow you to see if you Passed an inspection or if you Failed an inspection and why.

1. Once you are logged in, click on the “Account” button at the top right area of the webpage.

2. Scroll down to the “My Permits” section and click on the “View Permit” link associated with the project you desire.

3. When the project opens, **scroll** down the page to the section called **Inspections** and view the **History** of inspections performed. To view the full report details, click on the PRINTER ICON at the far right.

4. The full inspection report will open in another window of your web browser. If the inspector chose to provide additional information about the inspection, the **Details** will be displayed at the bottom of the report. The basic report will always provide the **Inspection Type**, **DATE** the inspection was performed, and the result of the inspection (**Pass or Fail**).
