# View Inspection Sequence and Other Requirements

1. Once you are logged in, click on the "Account" button at the top right area of the webpage.

2. Scroll down to the "My Permits" section and click on the "View Permit" link associated with the project you desire.

3. When the project opens, click on the tab called Requirements as shown below.

4. The list of requirements will appear in Priority order. The items must be completed in the priority order displayed. Items in the same priority number can be requested or completed at the same time. If you have questions about the Requirements for any particular project, please contact your jurisdiction for explanation.
